## Eddy-Creel Wedding.

Rome, November 1:—Wednesday, October 27, at high noon, the marriage of Miss Pearl Eddy to Mr. Clarence Creel was solemnized at Union church, Rome, Rev Sam Morris officiating.

The church was made attractive by simple but artistic decorations. The chancel was a forest of small pine trees; the altar and the arch were covered with white, gracefully draped with long-leaf pine needles, which was in keeping with the color scheme of white and green.

Promptly at twelve, noon, Miss Laura Rhem, accompanied on the organ by Miss Ethel Johnson, sang in her usual charming manner "Melody of Love" and "I Love You Truly". The bridal party was announced and to the strains of Lohengrin's wedding march entered the church, headed by the ushers, Messrs Lamar Johnson and Reuben Sarvis, who came up the middle aisle. Coming up the side aisles, the bridesmaids and groomsmen appeared in the following order: Miss Alice Chandler of Rome with Prof Rembert of Poston, Miss Minnie Bryan of Bryan with Mr Luther Richardson of Poston, Miss Margaret Keels of Rhems with Mr Ervin Poston of Johnsonville, Miss Flossie Kellahan of Kingstree with Dr Lewie Day of Hemingway. Mrs James Eddy, sister of the groom, entered through the center aisle as dame of honor, followed by Miss Marie Eddy, sister of the bride, who made a lovely maid of honor. Next came the ring-bearer, little Allen Huggins Johnson, clad in a black velvet suit and bearing the ring in the heart of a rose. The bride, leaning on the arm of her father, Mr Beauregard Eddy, entered through the center aisle and was met at the altar by the groom and his brother, Mr Charlie Creel, who had entered through the side aisle. While the vows were being taken, Miss Ethel Johnson softly played, "To a Wild Rose". The bridal party left the church in reverse order, to Mendelssohn's wedding march.

The bridesmaids were dressed alternately in gowns of green velvet

and combination suits of white serge and taffeta, and wore black picture hats. The dame of honor was handsomely gowned in green charmeuse with fur trimmings and wore a picture hat. The maid of honor was becomingly attired in a beautiful semi-princess gown of white serge with taffeta trimmings. The bride's suit of midnight blue cloth with black fur trimmings, together with her black velvet hat and accessories to match, was very handsome and strikingly becoming. A bouquet of bride's roses and lilies of the valley added to her charms.

Immediately after the ceremony Dr and Mrs L B Johnson received in their home in honor of Mr and Mrs Creel. Miss Ethel Johnson greeted the guests and ushered them into the parlor, where Miss Laura Rhem presented them to the receiving line. The guests then registered in the bride's book, which was presided over by Miss Marie Jackson. Miss Georgie Stackley ushered the guests into the drawing room to view the large display of presents. Music was delightfully rendered by Misses Emma Moss and Nanna Bush during the reception. Misses Mabelle Chandler and Louise Snow served delicious punch to the guests from an attractive corner in the hall. An ice course with cake was served by Misses Lucille Turbeville, Florence Carraway, Lucille Jackson and Louise Haddock.

As the bride ascended the stair she threw her bouquet, which was caught by Miss Minnie Bryan. Immediately afterwards the happy young couple, accompanied by a number of their friends, motored to Florence, whence they left for parts unknown.

The bride is the second daughter of Mr and Mrs Beauregard Eddy of Rhems and is one of the most popular young ladies of the community. The groom is a successful merchant at Poston and is well known for his many sterling qualities. They will be at home at Poston after November 10.

Among the out-of-town guests were: Dr and Mrs — Burgess of

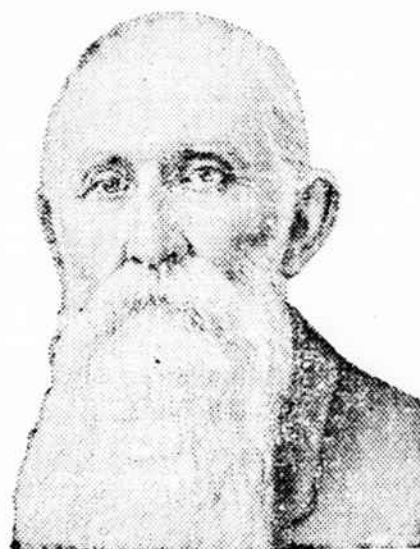

## Healthy Old Age Brings Happiness.

Simple Remedy Promotes Health by Overcoming Tendency to Constipation.

Advancing years impair the action of the vital organs. Old age should be the period of greatest happiness, but good health is necessary. Constipation should not be tolerated—it is often the direct cause of ill health.

Headache, belching, biliousness, bloating, drowsiness after eating and other symptoms of constipation can be readily relieved by the use of a simple laxative compound sold in drug stores under the name of Dr Caldwell's Syrup Pepsin. Mr J H Bristol, 1412 Geddes Ave, Ann Arbor, Mich, who is 83 years old, says: "Dr Caldwell's Syrup Pepsin is the best remedy I ever used for constipation and I always have a bottle of it in the house to use when I feel the need of it; it never disappoints."

Dr Caldwell's Syrup Pepsin is a mild laxative preparation, positive in its effect, acting easily and naturally without griping or other pain or discomfort. For over a quarter

of a century it has been the standard household remedy in thousands of homes. Druggists everywhere sell it for fifty cents a bottle. A trial bottle of Dr Caldwell's Syrup Pepsin can be obtained, free of charge, by writing to Dr W B Caldwell, 454 Washington St, Monticello, Illinois.

## CONVICTS PARDONED.

Freed For Submitting to Tests to Find the Cause of Pellagra.

Jackson, Miss, November 1:—Eleven convicts at the Rankin, Miss, State prison farm—seven of them serving life sentences—today were granted full pardons by Governor Brewer as a reward for submitting to prescribed tests by United States public health service authorities to determine the cause of and the cure for pellagra. A twelfth member of the prison "pellagra squad" was released a few months ago because of physical breakdown.

The granting of freedom to the el-

even prisoners followed an official announcement by the Mississippi State board of health that experiments conducted at the convict farm under direction of Dr Joseph Goldberger and his assistants had demonstrated that pellagra is produced by an unbalanced ration, and that Dr Goldberger was convinced that the disease could be cured if the patients were given proper food. The results of the experiments are considered by prominent physicians in this section as of exceptional importance in the prevention and treatment of the disease, which in recent years, it is declared, has been increasing the death rate in Mississippi and several other Southern States. Physicians stated steps will be taken to introduce the diet treatment for pellagra into various sections where the disease is prevalent.

The biggest fool is the one who thinks he can fool others with impunity without their knowing and resenting it.
